

Sport and recreation

At one stage, Narrabri Shire was identified as Australia's Sportiest town based on the sportspersons who have come from the town or district. Over one hundred and ten Australian representatives and champions showcasing forty-four sports were either born in the Narrabri Shire or started their sporting career here. This is testament to Narrabri's enthusiastic and diverse range of sports available to all the community.

Narrabri also features all the conveniences of the city including annual events, culinary treats, music and culture, plus an impressive theatre complex (The Crossing Theatre) which offers the latest movies, live performances, and also hosts one of the best weekday cafes in town.

Housing

Whilst property prices have been making steady gains over the last few years you can still pick up your little piece of paradise for an affordable price. Across the Shire there are a variety of properties for sale and rent. There are also vacant blocks from standard residential sizes to small acreages with river frontage and spectacular views of the bordering National Park and ranges. The towns of Wee Waa, Boggabri and the smaller villages also have a variety of housing opportunities.
